

MEMORANDUM

TO: Interested Corporate Organizations

FROM: Carol M. Sinclair, Director of Education

DATE: January 3, 2019

SUBJ: **2019 Small or Rural Hospital Conference Sponsorships**

This year's Small or Rural Hospital Conference will be held **February 13-15, 2019** at the Jordan Grand Resort Hotel & Conference Center at Sunday River. Last year we had nearly 200 people in attendance, representing virtually every hospital in Maine (small and large). We expect an equally successful conference this year.

The theme for this year's conference is *Reimagining Rural Healthcare* and features sessions on some of the most pressing issues facing rural hospitals in Maine and across the country, including:

- "Rural and Critical Access Hospitals: Policy Issues and Future Strategies" with **Michael Topchik, MPH**, National Leader, The Chartis Center for Rural Health and **Troy Brown**, Manager, The Chartis Center for Rural Health;
- "Deep Dive Discussion: 10 Key Considerations for Rural Healthcare Leaders" with **Michael Topchik** and **Troy Brown**;
- "From Surviving to Thriving" with **Marty Fattig**, CEO, Nemaha County Hospital, Auburn, NE;
- "Reimbursement Models of the Future: A Look at Proposed Models and Their Potential Impact on Rural Providers" with **Ralph J. Llewellyn, CPA, CHFP**, Partner, Eide Bailly, and;
- "Rural Hospital State and Federal Advocacy Update" with **Jeffrey Austin**, Vice President, Government Affairs and Communications, MHA and **John Supplitt**, Senior Director, American Hospital Association.

As you know, our corporate supporters have become an integral part of our conference, generously sponsoring events and allowing us to deliver quality education to Maine hospitals at an affordable rate. One of our most popular events, we also leave plenty of time for networking and fun, with two dinner banquets, live music, our traditional comedian and, of course, skiing!

Attached is a list of our corporate sponsorship opportunities. Sponsorships are recognized in many ways, including:

- Company name printed on the conference brochure (distributed via email to over 2,000 individuals from across the state and New England);
- Company name posted on the MHA website in association with the event;
- Company name listed under “Sponsors” in our conference app with a link to your website;
- Signage with your company’s logo at the event;
- Company name imprinted on all materials distributed at the event;
- Recognition from the podium by the Chair of MHA’s Board of Directors (recognition includes those individuals present at the event); and
- An added benefit of sponsorship is the ability to register someone from your organization at the corporate affiliate member rate of \$350 for every \$1,000 in sponsorship (a discount valued at \$150).

If you are interested in being a sponsor (or co-sponsor), please let me know by faxing the attached form, calling me with your selection or e-mailing me at csinclair@themha.org.

I hope that you will decide to support Maine’s hospitals by becoming a sponsor at this year’s Small or Rural Hospital Conference. If you have any questions, please feel free to call me at 207-622-4794.
