

**“Major CPT, HCPCS and ICD-10  
Coding Changes for 2019”  
Webinar #T6004**

**Tuesday, January 22, 2019  
1:30 p.m. - 2:30 p.m.**

**Program Overview:**

Every year hundreds of changes are made to CPT, HCPCS and ICD-10. Additional changes to coverage and documentation requirements are issued by CMS. There are substantial changes in 2019 to E/M, dermatology, lab, and other specialties. The adequacy of clinical documentation and accuracy of coding are critical to an organization’s compliance and financial success. Ensuring that your staff know and understand the changes and that the updates are made to your systems in a correct and timely manner is crucial.

**Learning Objectives:**

At the completion of this webinar, participants will be able to:

1. Discuss the most significant changes in 2019;
2. Explain the new documentation requirements; and
3. Identify systems and processes that should be updated to ensure compliance and financial success.

**Target Audience:**

Key stakeholders including compliance, revenue cycle, health information management and clinical staff.

**Faculty:**

**Amy Bailey, CHC, CPC, CPC-H, CPC-L CCS-P, Principal, HBE Advisors**

Amy Bailey is a principal with HBE Advisors. She has over twenty years of healthcare experience and specializes in audit, compliance and litigation support services.
