

**“Understanding Medicare Telemedicine
Billing Guidelines”
Webinar #T5019**

**Thursday, February 22, 2018
1:30 p.m. - 2:30 p.m.**

Program Overview:

Offering telemedicine services can be very lucrative to your organization. Offering services to patients in rural locations can also prove to be very beneficial to patients that would not otherwise be able to visit your office. Medicare and other payers have expanded the types of services that may be provided to beneficiaries through the use of interactive audio and video telecommunications systems. A variety of states have also passed laws related to the provision of services via telehealth and telemedicine.

During this session, we will delve into the telemedicine and telehealth billing guidelines and give you actionable tools to aid you in billing for these services.

Learning Objectives:

At the completion of this webinar, participants will be able to:

1. Discuss telemedicine, telehealth, and associated terminology;
2. Identify Medicare guidelines for documenting and billing for telemedicine services;
3. Discuss telemedicine equipment requirements;
4. List the types of providers that may offer telemedicine services to Medicare beneficiaries;
5. Define the acceptable “originating site” locations;
6. Explain the telehealth waiver process; and
7. Discuss telehealth billing concerns.

Target Audience:

Compliance officers, administrators, COOs, medical staff, medical coders, medical billers, coding consultants, medical coding auditors, practice managers, office managers, billing managers, and others involved in the revenue cycle management process at healthcare institutions.

Faculty:

**Catrena Smith, CCS, CCS-P, CPC, CPC-1, CRC, CHTS-PW
President, Access Quality Coding and Consulting, LLC**

Catrena Smith has over 17 years’ experience in the health information management industry. She is currently the president of Access Quality Coding and Consulting, LLC located in Orange Park, Florida. She has served in many roles such as coding specialist, coding auditor, coding trainer, medical records technician, and coding manager. Catrena is a certified professional coding instructor and conducts numerous educational sessions annually.

Registration Fee:

\$195 per site for MHA members

\$295 per site for non-members

The registration deadline is February 15. Advance registration is required to ensure the delivery of instructional materials.

Cancellation Policy:

Cancellations made prior to the registration deadline (February 15) will be issued a refund, less a \$25 administrative fee. Cancellations made after February 15 will be charged 50% of the registration fee. No refunds will be issued for those who do not cancel in advance of the program.

Connecting to the Webinar:

All registration fees are per phone connection. If more than one connection is made from your hospital for any reason, an additional charge of \$195.00 (per connection) will be billed. Upon registering for the webinar, notify all participants and arrange a meeting room and speaker phone, if desired. At least three business days prior to the webinar, you will receive confirmation of your registration via email including instructions on logging in, as well as attached handouts. Approximately 5 to 10 minutes before the program, dial in to be connected to the session.

If you have not received a confirmation notice 48 hours prior to the program, please call Leslie Couturier at (207) 622-4794 to confirm your registration has been received.
