

**“Safe Opioid Use, IV Medication, Blood and
Medication Administration Requirements:
Complying with the CMS’ Hospital CoPs”
Webinar #T5073**

**Thursday, July 26, 2018
10:00 a.m. - 12:00 p.m.**

Program Overview:

This program will discuss the revised standards on the CMS hospital CoPs on safe opioid use, IV medication and blood transfusion. This is the fifth time this section has been amended in the past few years along with an amendment last to nursing section 405 which addresses safe injection practices, compounding and beyond-use date. The following are also covered: CDC opioid guidelines, Joint Commission final pain management guidelines, federal guidelines for opioid programs, opioid epidemic, and required hospital policies and training. The CMS standards on the care of the patient receiving opioids also apply to critical access hospitals.

Learning Objectives:

At the completion of this webinar, participants will be able to:

1. Discuss the CMS 32-page memo on medication administration and safe opioid use;
2. Discuss how the medications must be administered within three different time frames;
3. Explain that CMS has required policies and education requirements on medication administration and safe opioid use;
4. Discuss the CMS requirements that ensure nurses are competent when giving IV medications or blood transfusion; and
5. Identify the CDC-issued opioid prescribing guidelines.

Target Audience:

Anyone involved with compliance regulations and standards, including, but not limited to, CMOs, CNOs, physicians, nurses, quality improvement staff, risk managers, pharmacy staff, compliance officers and legal counsel, ethics committee members, consumer advocates, TJC liaisons, safety officers, behavioral health and psychiatric staff, and case managers.

Faculty:

Sue Dill Calloway, President, Patient Safety and Health Care Education and Consulting

Sue Dill Calloway has been a nurse attorney and consultant for more than 30 years. Currently, she is president of Patient Safety and Healthcare Education and Consulting and was previously the chief learning officer for the Emergency Medicine Patient Safety Foundation. She has conducted many educational programs for nurses, physicians, and other healthcare providers. Sue has authored over 100 books and numerous articles. She is a frequent speaker and is well known across the country in the areas of healthcare law, risk management, and patient safety.

Registration Fee:

\$195 per site for MHA members

\$295 per site for non-members

The registration deadline is July 19. Advance registration is required to ensure the delivery of instructional materials.

Cancellation Policy:

Cancellations made prior to the registration deadline (July 19) will be issued a refund, less a \$25 administrative fee. Cancellations made after July 19 will be charged 50% of the registration fee. No refunds will be issued for those who do not cancel in advance of the program.

Connecting to the Webinar:

Google Chrome is the recommended web browser for this webinar. If you use Internet Explorer, please contact Leslie Couturier at lcouturier@themha.org or 207/622-4794 for further information. **All registration fees are per phone connection.** If more than one connection is made from your hospital for any reason, an additional charge of \$195.00 (per connection) will be billed. Upon registering for the webinar, notify all participants and arrange a meeting room and speaker phone, if desired. At least three business days prior to the webinar, you will receive confirmation of your registration via email including instructions on logging in, as well as attached handouts. Approximately 5 to 10 minutes before the program, dial in to be connected to the session.

If you have not received a confirmation notice 48 hours prior to the program, please call Leslie Couturier at (207) 622-4794 to confirm your registration has been received.

Registration Form
