Election Guide for Member Hospitals - 2024

Maine Elections 2024

Please accept this guide as an overview of the candidates running for state office in Maine this election cycle. The Maine Hospital Association does not endorse candidates for office. Nor do we compile scorecards or ratings for candidates. This guide is merely meant to be a resource for you to identify your local candidates.

Overview. In the Legislature, all 151 House members and 35 Senators are on the ballot this year. There is no gubernatorial election. There are also three federal races this year. Incumbents Chellie Pingree and Jared Golden each have races for their Congressional seats and incumbent Angus King is seeking a third, six-year term.

Partisan Breakdown. In the Legislature, there will be a modest amount of turnover this year.

Senate:

In the Senate, 3 Democrats are termed-out and 3 Republicans are leaving as well.

SENATE	Democrats	Republicans	Independents
Current Senate	22	13	0
Senate Termed-out	3	1	0
Retiring	0	2	0
Senate Total	3	3	0

House:

In the House, turnover is also fairly balanced. There are 14 Republicans who are leaving compared to 16 Democrats and no independents.

HOUSE	Democrats	Republicans	Independents
Current House	79	67	2
House Termed-out	8	4	0
Retiring	8	10	0
House Total	16	14	0

Legislative Leadership.

Both the Senate President and the Speaker of the House are termed-out of their respective offices.

Senate	House of Representatives
Senate President Troy Jackson	Speaker Rachel Talbot Ross
Majority Leader Eloise Vitelli	Majority Leader Mo Terry
Asst. Majority Leader Mathea Daughtry	Asst. Majority Leader Kristen Cloutier
Minority Leader Trey Stewart	Minority Leader Billy Bob Faulkingham
Asst. Majority Leader Lisa Keim	Asst. Minority Leader Amy Arata

Legislative Committees. We won't know who will serve on which legislative committees until December or even January, following the election this fall.

Several of the termed-out/retiring legislators serve on the two committees we monitor most closely – Appropriations and Health Coverage, Insurance and Financial Services (HCIFS).

Three Appropriations Committee members, including the long-serving Sawin Millett (Waterford) are leaving.

There is less turnover in the Insurance Committee (where the partisan divide is also a gender divide with all of the Democrats on the committee are female and all the Republicans are male).

Again, re-elected members do sometimes switch committees and so all of these members who are running may not return to these committees, even if they win.

Federal Races. Three of four seats are up this year.
